Village of Reeseville Housekeeping

The Village of Reeseville Board meetings are held on the 2nd Thursday of each month beginning at 6:30 p.m. Public comments are heard for the first 15 minutes of each meeting. All Village residents are welcome. If you wish to add something to the agenda please contact the Village Clerk. Meeting minutes will be printed in this newsletter, however they are not official until approval at the following monthly meeting.

(608) 575-3097

ReesevilleClerk@gmail.com

Winter Snow Regulations

Street parking is prohibited until April 15, between 2am-6am. Tickets will be issued. Please also keep sidewalks clear of snow and salted. It is against village ordinance to purposefully dispense or move snow onto an adjoining property without the owners permission.

Dog Licenses

Applications were sent out with the tax bills and can be found online at <https://reeseville.com/dog-licenses/> or at the library.

Dog licenses are due March 31. Please show your pup some love and get them new bling for the collar by getting a license.

The Village Clerk, Christine Abell, is available to help residents with any village business such as utility or tax payments and ordinance inquiries. She is available by appointment, **9-4 Monday-Friday**. Please reach out to her if you need assistance.

DODGELAND SCHOOL DISTRICT

FEBRUARY 2021 PROJECT UPDATE

Conceptual rendering of the High School collaboration area.

WHAT'S NEW

The image above is a conceptual rendering of a new collaborative learning space at Dodgeland Middle/High school. This multipurpose area has display cases to showcase student work and awards and provides flexible work spaces for small groups of students to meet.

Design work on all the referendum projects is coming to an end as the 100% drawing milestone is reached this month. We appreciate the dedication of the facilities Core Team, staff work groups, school board members, and our partners over the past year!

Work on the secure entrance at the Main District Office is underway. The secure entrance was funded by the Wisconsin Department of Justice grant the District received last year and will be completed by May 1, 2021. Be on the lookout for signs directing visitors to alternate entrances and parking as the project moves forward.

WHAT'S NEXT

Save the Date for our Groundbreaking, which is scheduled for Friday, April 9 from 1:30-2:30 p.m. Both in-person and virtual participation options are planned, so please stay tuned for all the exciting details as event details are finalized.

We are #DodgelandProud!

PROJECT PROGRESS

- Bi-weekly Core Team meetings continue; refining project details and schedules.
- February: Construction documents 100% complete

PROJECT MILESTONES

- PRE-BID WALKTHROUGH
February 15
- CITY PLANNING
February 22
- BID DAY
March 2
- GROUNDBREAKING
Friday, April 9, 1:30 p.m.

Tails and Tales

We now receive delivery five times per week so we can fill your holds. If you still want curbside delivery, just call 927-7390.

We are in need of yard signs, such as those used for political campaigns, for our summer reading program. If you have several hanging out in the garage you are welcome to drop them off at the library.

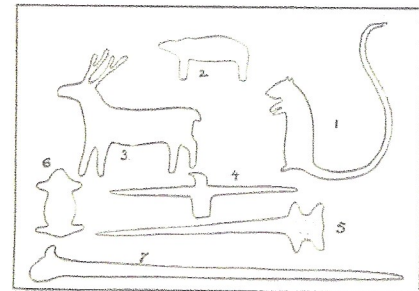

Window Into the Past

In histories of our state we read of such Native American tribes as the Winnebago, the Menomonie, the Creek and the Sioux. Certainly one of these tribes was represented in this section of our state. Effigy mounds have been found on local farms, especially near Mud Lake. The Mounds were small hills made by the tribes, under which one or more members of their tribe were buried. When the mounds were explored, it was found that pottery and arrowheads were buried with the dead, in keeping with the belief that such articles would be needed in the next world. Some of the mounds were shaped to take the form of horses, and other animals with which the builders were familiar.

Vernal Equinox March 20

This event marks the astronomical first day of spring for us in the northern hemisphere. On the equinox the day and night are the same length, so from now until the summer solstice we will have more day light than night.

**PROCEEDINGS OF THE VILLAGE BOARD
OF THE VILLAGE OF REESEVILLE
February 11, 2021**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on February 11, 2021 and called to order by Village President, Brian Miller, at 6:30 p.m. The pledge of allegiance was recited. The following Trustees were present, Chris Abell, Jim Bublitz, Debby Casperson, Cheryl Goodrich, Grant Rushing and Dave Snow

Notice of this meeting was given to the public at least 24 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office, and on the Village's official website.

There was no public comment or input.

There was a motion by Jim Bublitz and seconded by Chris Abell to remove the previous Board meeting minutes from the consent agenda for further discussion. The motion also approved remaining consent agenda items; the Village Treasurer's report and Utility Treasurer's report. Motion carried. It was noted that the previous Board meeting minutes required a change in paragraph 7; replacing the word "some" with "someone" the line should read: "Tammy was then contacted by Art Bahr at MSA and said that he spoke with someone at the Village of Reeseville regarding the available money, but was told there were no "shovel ready" projects." There was a motion by Cheryl Goodrich and seconded by Jim Bublitz to approve the meeting minutes contingent on the aforementioned change. Motion carried.

Tammy Hampton gave an update on the 2021 utility project. The contracts are ready for signature and will be emailed to the attorney for review and approval. There will be a preconstruction meeting sometime in early March.

The Specialty Cheese Wastewater Treatment and Special Assessment Agreement final draft was reviewed by the Board. The Village attorney had a few suggested revisions and this draft reflected those changes. There was a motion by Jim Bublitz and seconded by Dave Snow to approve the Specialty Cheese Wastewater Treatment and Special Assessment Agreement. Motion carried. Tammy Hampton will forward the final draft to Specialty Cheese and arrange execution of the agreement.

Police Chief Bahr reviewed the January 2021 police report. The report included the hours worked, the number of parking citations issued and the calls of service for the month.

Fire Chief Abell gave the Fire Department report. There were four calls in January and eight calls already so far in February. There will be a fire department merger meeting on February 15th at 7:00 p.m.

Chris Abell also gave an update on the First Responders. The Lowell-Reeseville First Responders will be running auto aid with the Clyman First Responders starting on February 15th for a two-month trial and they will update the committee in April with how things went.

There was nothing to report from the Residence Board.

The Library report was reviewed by the Board.

There was nothing to report on the utilities, Dean Ziegel noted that everything has been going well.

Dean also stated that there was nothing to report on the streets. All things considered with the inclement weather; the roads are in good condition. The sand/salt mix isn't able to work well with the extreme cold, but they are doing everything they can to keep the roads safe.

An operator's license application for Rebecca Katherine Billington was reviewed by the Board. There was a motion by Jim Bublitz and seconded by Chris Abell to approve the application effective February 11, 2021 through June 30, 2021 motion carried.

Chief Bahr gave an update on the property maintenance and contacts have been made. An update was given on the property located at 500 S. Main St., there was no further discussion.

Dave Snow gave an update on the Public Health & Welfare Committee. He noted that the code book project is going well. They have gone through the workbook once and need to go through it again to revisit some of the questions. There have been a couple of issues with garbage pickup over the last couple of weeks. Firehouse Drive was missed during recycling pick up one week and there have been multiple complaints of the wheels on the carts falling off and/or breaking. Residents with the same issue are urged to contact Badgerland directly.

The Clerk-Treasurer, Christine Abell, stated that the attorney has been contacted regarding the baseball field fence issues and the attorney will be drafting a letter to the neighboring property owner. There was nothing further.

Cheryl Goodrich gave a brief update on the Community Center. There have been a few rental inquiries and a couple of contracts for the current year. The Community Center will serve food at the upcoming BINGO in April. There was nothing further.

There was no Recreation Department report.

The board discussed future agenda items.

The following bills were reviewed by the Board:

BP	\$123.35	United States Treasury	\$2,753.32
WI Department of Revenue	\$533.17	Ziegel, Dean	\$1,678.69
