Village of Reeseville Housekeeping

The Village of Reeseville Board meetings are held on the 2nd Thursday of each month beginning at 6:30 p.m. Public comments are heard for the first 15 minutes of each meeting. All Village residents are welcome. If you wish to add something to the agenda please contact the Village Clerk. Meeting minutes will be printed in this newsletter, however they are not official until approval at the following monthly meeting.

The Village Clerk, Christine Abell, is available to help residents with any village business such as utility or tax payments and ordinance inquiries. She is available by appointment, **9-4 Monday -Friday**. Please reach out to her if you need assistance.

(608) 575-3097

ReesevilleClerk@gmail.com

Dog and Poultry licensing

Dog and Poultry licenses are due **March 31**. There will be a late fee after 3/31 and a citation may be issued for non licensed

dogs. Owners should contact the Clerk-Treasurer if their dog has passed away or has been rehomed. Applications are available at www.reeseville.com, the end of this newsletter or the library.

Brush and Branch Pickup

1st and 3rd Monday of each month, beginning in April. Brush and leaves must be bagged. Branches need to be a maximum of 4ft and tied in bundles. All branches not tied or longer than 4ft will be left. Woodchips are available at the Minipark on Jackson St. Take what you need as the pile is growing.

Burn Pile

The burn pile is for brush and branches **ONLY**, no other items may be left there.

Winter Snow Regulations

Street parking is prohibited until **April 15** between 2am-6am. Tickets will be issued.

2021 Spring Election

The spring election will be held on April 6. Polls are open 7am-8pm. If you wish to see what offices will be on your ballot visit <https://myvote.wi.gov/e-n-us/PreviewMyBallot>.

Arbor Day is April 30, plant a tree to celebrate.

Reeseville Public Library

Tales and Tails

Do you want to learn a little bit of a new language? Practice listening, reading, speaking, and writing skills with learning material from any lesson using over a dozen challenging activities with Transparent Languages. You can log in from the library website. You can also use your library card to take college level courses with Gale Courses, also linked from our website.

The two little libraries in town are now geocache sites. You can learn more by visiting www.geocaching.com. Basic membership is free, you just need to download an app.

The Reeseville Library Board wants to encourage use by forgiving fines. If you have library fines that are keeping you from using the library please contact the director to make arrangements.

We're already planning for summer at the library and wish to thank the following sponsors of the summer reading program: **Caine Warehousing, KARS Auto, Karl's Carpentry, Milwaukee Stockyards and Specialty Cheese.** Thank you, our summer programming wouldn't be possible without you.

We are in need of yard signs, such as those for political campaigns, for our summer reading program. You are welcome to drop them off at the library.

**PROCEEDINGS OF THE VILLAGE BOARD
OF THE VILLAGE OF REESEVILLE
March 11, 2021**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on March 11, 2021 and called to order by Village President, Brian Miller, at 6:33 p.m. The pledge of allegiance was recited. Roll call was taken and the following Trustees were present, Chris Abell, Debby Casperson, Cheryl Goodrich, Grant Rushing and Dave Snow. Trustee Jim Bublitz was absent.

Notice of this meeting was given to the public at least 24 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office, and on the Village's official website.

There was no public comment or input.

Samantha and Martin Keberlein were present to discuss the possibility of consolidating two lots with their home lot. They would like to put up a shed on one of the vacant parcels next to their garden. Current ordinance doesn't allow an accessory building on a vacant lot. The Board recommended that the Keberlein's request a variance to the zoning code if the accessory building was the only reason for consolidating the lots. They will fill out a variance application and the Clerk-Treasurer will send out to neighboring homeowners prior to the next Board meeting in April.

Trustee Jim Bublitz joined the meeting virtually at 6:40 p.m.

There was a motion by Dave Snow and seconded by Debby Casperson to approve the consent agenda items, which include the minutes from the previous regular meeting, the Village Treasurer's report and Utility Treasurer's report. Motion carried.

The Engineer's Report was postponed while the Board waited for a representative from Kunkel Engineering.

Police Chief Bahr reviewed the February 2021 police report. The report included the hours worked, the patrol activity and the calls of service for the month.

Fire Chief Abell gave the Fire Department report. There were eleven calls in February. Tim Caine was promoted to Fire Lieutenant. There was a fire department merger meeting on February 15th.

Resolution 2021-1 "Resolution Authorizing the Creation of the CLR Fire Group and Appointment of Representation" was presented to the Board. The resolution approved the creation of the CLR Fire Group and interim CLR Governing Committee and appointed the Village President to represent the Village. There was a motion by Jim Bublitz and seconded by Grant Rushing to adopt resolution 2021-1. Motion carried. Chris Abell abstained.

Chris Abell also gave a brief update on the First Responders. The Lowell-Reeseville First Responders have been running auto aid with the Clyman First Responders. Things have been going well.

There was nothing to report from the Residence Board.

The Library report was reviewed by the Board. There were no questions.

There was nothing to report on the utilities, Dean Ziegel noted that everything has been going well.

A quote from Water Tower Clean and Coat was presented to the Board. The DNR mandates that the tower be cleaned every five years. The tower will need to be drained to be cleaned. The quote also includes an option to install a tank mixer to stop ice from forming and scraping the coating off the inside of the tower. The cleaning quote came in at \$11,600 and the mixer is an additional \$7,500. There was a motion by Chris Abell and seconded by Dave Snow to approve the full quote for \$19,100, which includes the cleaning quote and tank mixer. Motion carried.

The Board moved back to item 6 “Engineer’s Report”, there were no objections.

Tammy Hampton from Kunkel Engineering discussed the presented “Amendment to Owner-Engineer’s Agreement”. The original agreement was signed last year and there have been changes made to the original project plan. There was a motion by Dave Snow and seconded by Debby Casperson to approve the amendment. Motion carried.

Don Neitzel from Kunkel Engineering discussed the preconstruction meeting, which took place last Friday. Construction on the 2021 Improvement Project should begin the first week of April or possibly by the end of March. Don met with Dean Ziegel and Dave Snow to go look at Opal Ave. and consider adding it to the project. Opal Ave., is deteriorating and it was discussed to pave part of Opal and add 75 feet of pavement, including curb and gutter. An initial estimate of \$15-18,000 was given. A valve would also be added to the water and sewer mains incase the business on that street would want to install water and sewer at a later date. The additional work would not be an eligible expense and would need to be paid out of the TIF. Discussion was tabled until the next Board meeting when Don can get a more concrete estimate.

The Specialty Cheese Wastewater Treatment Agreement was reviewed by the Board. The revised agreement included suggestion from Paul Scharfman. The Board worked together to add a few more suggested revisions. Tammy Hampton will make the revisions suggested by the Board and will forward a final copy to Brian Miller and Christine Abell. There was a motion by Chris Abell and seconded by Debby Casperson to approve the agreement contingent on the changes suggested by the Board. Motion carried. Cheryl Goodrich abstained.

The Board resumed back to agenda item #11 “Streets and Alleys Committee Reports & Recommendations”.

Dean Ziegel gave a brief update on the streets. The streets will be cleaned in a month and in 4-6 weeks, potholes will be filled. The Board requested that the street cleaner skip Pearl, Garnet and Emerald since construction will be starting in a couple of weeks.

The street light on Garnet Circle will need to be replaced. The improvement project will be removing the island in the middle of the street and the light will need to be relocated. Dean has spoken with We-Energies and they estimate the replacement to be between \$3-5,000. The replacement cost is not a part of the project costs and will be an additional fee. There was a motion by Dave Snow and seconded by Cheryl Goodrich to move forward with the replacement. Motion carried.

TID 2 will reach its maximum life in June. Resolution 2021-2 “Tax Incremental District 2 Termination Resolution” was presented to the Board for adoption. There was a motion by Cheryl Goodrich and seconded by Chris Abell to adopt resolution 2021-2. A roll call vote was taken; Chris Abell

-yes, Jim Bublitz -absent, Debby Casperson -yes, Cheryl Goodrich -yes, Dave Snow -yes, Grant Rushing -yes, and Brian Miller -yes. Motion Carried. (6 -yes, 0 -no)

There was nothing new to report on property maintenance issues.

Dave Snow gave an update on the code book project. The workbook has been completed, with just a couple of questions needing further review. Once those have been completed, the workbook will be sent back to General Code.

Discussion on the baseball field was tabled.

The Village received a drainage assessment from Drainage District 54. There was a motion by Chris Abell and seconded by Debby Casperson to approve and pay the assessment of \$1,953.15. Motion carried.

There was nothing to report from the Community Center.

There was no Recreation Department report.

The board discussed future agenda items.

The following bills were reviewed by the Board:

BP	\$361.68	United States Treasury	\$2,576.66
WI Department of Revenue	\$497.93	Ziegel, Dean	\$1,814.29
