## Village of Reeseville Housekeeping

The Village of Reeseville Board meetings are held on the 2nd Thursday of each month beginning at 6:30 p.m. Public comments are heard for the first 15 minutes of each meeting. All Village residents are welcome. If you wish to add something to the agenda please contact the Village Clerk. Meeting minutes will be printed in this newsletter, however they are not official until approval at the following monthly meeting.

The Village Clerk, Christine Abell, is available to help residents with any village business such as utility or tax payments and ordinance inquiries. She is available by appointment, 9-4 **Monday-Friday**. Please reach out to her if you need assistance.

**(608) 575-3097**

[ReesevilleClerk@gmail.com](mailto:ReesevilleClerk@gmail.com)

### Dog and Poultry Licensing

Dog and Poultry licenses were due **March 31**. There will be a late fee now and a **citation will be issued for non licensed dogs**. Owners should contact the Clerk-Treasurer if their dog has passed away or has been rehomed. Applications are available at the end of this newsletter or [www.reeseville.com](http://www.reeseville.com).

### Brush and Branch Pickup

1st and 3rd Monday of each month. Brush and leaves must be bagged. Branches need to be a maximum of 4ft and tied in bundles. All branches not tied or longer than 4ft will be left.

### Burn Pile

The burn pile is for brush and branches **ONLY**, no other items may be left there.

The Election for the 37th Assembly District will be held **July 13**. To find out what is on the ballot visit:

<http://myvote.wi.gov/>

There will be a Public Hearing on Thursday **July 8th** and again on Thursday **August 12th** from **6 to 6:30 pm** at the Village Hall for the purpose of public input on Police Services in the Village of Reeseville.

It serves a purpose as do we  
 To hold an ecosystem so dearly  
 For if we float upon its waves  
 You must have respect for its ways  
 Or you might meet a watery grave  
 Yet if you don't fly with it high  
 You will wish that you won't die  
 But if you follow the ways foretold  
 The water will clear your mind till you're old  
 For this might be a simple poem  
 But with this many stories can be told  
 About those from the days of old

-JFS  
 Jacob Schuett is a 2021 Dodgeland graduate  
 and avid fisherman.

### Blocked Storm Drains

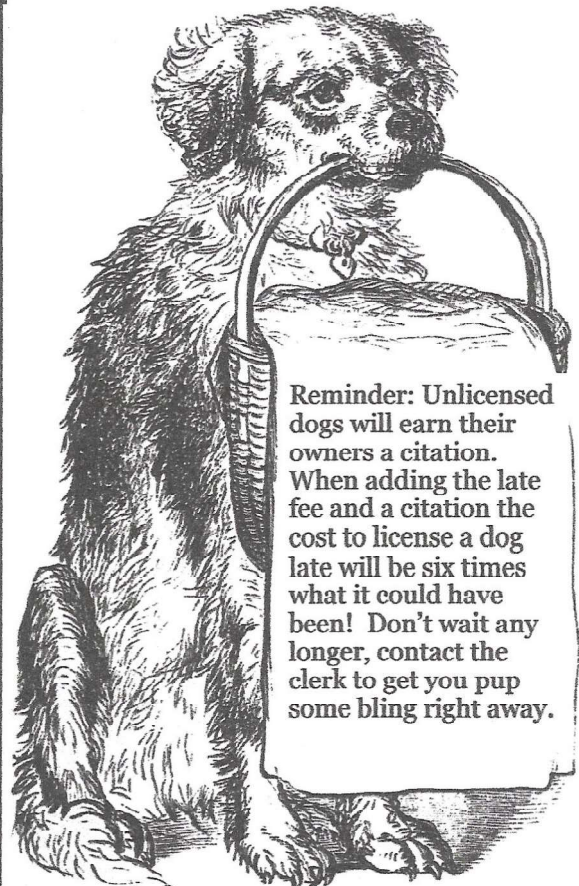

With all the rain there has been plenty of lawn mowing. The maintenance department would like to remind everyone not to allow lawn clippings to go into the streets. During one big rain leaves, sticks and clippings blocked several storm drains around town. If the drains are blocked the rain water may cause flooding and property damage. So please be mindful of ordinance Sec. 6-2-11 Unlawful Dumping on Streets "It shall be unlawful for any person to deposit or cause to be deposited, dump, sort, scatter or leave any rubbish, stone, wire, earth, ashes, cinders, sawdust, hay, glass, manure, filth, paper, snow, ice, dirt, grass, leaves, construction waste, garbage or other offensive or noxious material in any public street, sidewalk, alley or upon any public property or upon any property of another, without the express permission of the owner of occupant thereof."

## Bingo Night

Reeseville Community Center  
 406 N. Main Street, Reeseville  
 April 11, 2021  
 May 9, 2021  
 June 13, 2021  
 July 11, 2021  
 August 8, 2021

Doors open at 4pm, First game begins at 5:30.	Food and Refreshments will be available for purchase.
15 games will be played, plus one Progressive game	Sponsored by the Reeseville Fire Service Corp.

Reminder: Unlicensed dogs will earn their owners a citation. When adding the late fee and a citation the cost to license a dog late will be six times what it could have been! Don't wait any longer, contact the clerk to get you pup some bling right away.

## Local Spotlight: Custom Taylored Carpentry

James Taylor, JT, has over 40 years of experience doing carpentry work. He got started working with his uncle when he skipped school. He found he preferred making money to sitting in class. He does all kinds of work from decks to finish work, but specializes in small remodels.

After high school Taylor spent a few years serving in the US Army 82nd Airborn during the Persian Gulf War. The welfare of his fellow veterans is very important to him. He spent years as a VFW post commander at VFW Post 2260.

Taylor has always been ready to volunteer in his community. In the past he coordinated the Rock River Harley-Davidson ride for breast cancer research and was an adult leader for a 4H club. His carpentry skills came in handy with the 4H club when he helped repair cabins at the camp in the Wisconsin Dells. He got this drive to volunteer at a young age. As a boy scout he worked closely with volunteers and saw volunteering as a way to return some favors. Most recently Taylor volunteered his time, skill and material to the Reeseville Library.

When Taylor is not volunteering his time or remodeling a kitchen he enjoys riding the UTV trails out of Crivits. He says its beautiful country, but one needs to keep moving to outrun the mosquitoes.

## Lakeside 4H is - BACK!

Due to restrictions being lifted for Covid-19 we were able to have our 2<sup>nd</sup> meeting in the last month. It was great to see everyone again and have a full club meeting. What a treat that was. Lakeside 4H is picking right up where we left off in the calendar year. You will see us at the following events, please mark your calendars to see what we have put together or come out and support us.

July 4<sup>th</sup> – Parade in Watertown – we will be competing for another title on float building.

August 18<sup>th</sup> – 22<sup>nd</sup> – Dodge County Fair – all of our members have been busy making projects or raising animals. With having a year off I believe there is extra working getting put into these this year. The kids are ready to shine.

Our next meeting is set up for July 3<sup>rd</sup> at 2pm at the Salmi house – our goal is to build the float for the parade and have a pot luck dinner together.

August 1<sup>st</sup> at 2pm we will plan on meeting at the Salmi house to start working on barn signs and hand out fair information.

We are only in the planning stage on this but we are going to be putting together a “75 Anniversary Union” for current and past members of Lakeside 4H. Yes that is correct – this year Lakeside 4H marks 75 years in **Dodge County, Reeseville, WI**. If all of our calculations are correct this club has seen 4 generations of the same families over the past 75 years. We are looking for pictures from past members to help with displays. If you have any pictures you could email or of any project pictures please email them to [mastrivianight@yahoo.com](mailto:mastrivianight@yahoo.com). Please keep an eye on this newsletter for more information as we get closer to fall. If you have any question about 4H or would like to join feel free to contact Eric or Sandy Salmi at 920-988-1817 or [mastrivianight@yahoo.com](mailto:mastrivianight@yahoo.com) 4H just isn't for “Farm Kids” there is a whole new world to explore – please come and explore it with us!

Sincerely,  
Eric and Sandy Salmi  
Lakeside 4H Leaders  
Reeseville, WI

# TGS FEST

*All proceeds to benefit TGS in providing resources for our rural communities.*

**Saturday, August 28**

**11 am—2 pm**

**W7115 State Road 16/60**

*Music by*

**Juneau Lanes—Compeer Financial**

**Rennhack Construction—Caine Warehousing**

## Reeseville Public Library

Tales and Tails

We have much to be grateful for at the library this month. JT from Custom Taylored Carpentry built an enclosure for an electronic sign we plan to install in the near future. His time, skill and materials are much appreciated by the board.

We wish to thank the following sponsors of the summer reading program: **Andrew**

**Mehan, Caine Warehousing, Carolyn Beauty Salon, D&L Plumbing, The Gathering Source, KARS Auto, Karl's Carpentry, Lauersdorf Excavating, Milwaukee Stockyards, Rennhack Construction, Specialty Cheese and the State Bank of Reeseville.** Thank you, our summer programming wouldn't be possible without you.

Summer reading will continue through July so stop in to pick up a reading log and Take and Make activity. In June the gem blocks and owl pellets were a huge hit. There will also be storywalks set up in the Fireman's Park.

On **July 14 at 2pm** the Dodge County Dairy Ambassador will be at the library to celebrate National Ice Cream Month. She'll show us how to make our own ice cream.

Do you want to learn a little bit of a new language? Practice listening, reading, speaking, and writing skills with learning material from any lesson using over a dozen challenging activities with Transparent Languages. You can log in from the library website. You can also use your library card to take college level courses with Gale Courses, also linked from our website.

The Reeseville Library Board wants to encourage use by forgiving fines. If you have library fines that are keeping you from using the library please contact the director to make arrangements.

**More than a food pantry...**

Investing in the future of our rural communities

*10 years and still growing strong*

**DRIVE UP PANTRY SERVICE** – Continues on Tuesdays from 10-noon and Thursdays from 5-7 pm. Pantry guests should remain in their cars. A volunteer will come to you. If you are not already registered, please note you can register on our website – [www.thegatheringsource.org](http://www.thegatheringsource.org)

**DONATION HOURS:** – The Gathering Source is open for donation drop off on Mondays 11am-1pm and the first and third Saturday of the month from 8-10 am.

**MONETARY GIFTS** – You can provide a monetary gift to The Gathering Source right on Facebook and Facebook does not charge any processing fees.

**RIDE FOR RESOURCES/TGS FEST** – Saturday, August 28<sup>th</sup>. A bicycle ride on the Wild Goose Trail followed by a festival at The Gathering Source grounds. The festival runs from 11-2 and features live music, food trucks, games, beverages, cash and prize raffles as well as silent auctions. All proceeds to benefit The Gathering Source.

**PLEASE LIKE OUR FACEBOOK PAGE AND SHARE OUR POSTS**

# RIDE FOR RESOURCES

## August 28, 2021

*Enjoy a 30 mile bicycle ride starting at 8 am on the Wild Goose Trail to benefit TGS in providing resources for our rural communities.*

**Register by August 15th for \$30 and  
receive a wick t-shirt for the ride!**

**REGISTER AT: [www.thegatheringsource.org](http://www.thegatheringsource.org)**

## Immanuel Lutheran Church

210 Lincoln Avenue  
Reeseville, WI 53579  
(920) 927-5734  
[immanuelc@tds.net](mailto:immanuelc@tds.net)

During the summer months, we gather together to worship God and hear His Word every **Sunday morning at 9 a.m.** The Lord's Supper is served every Sunday.

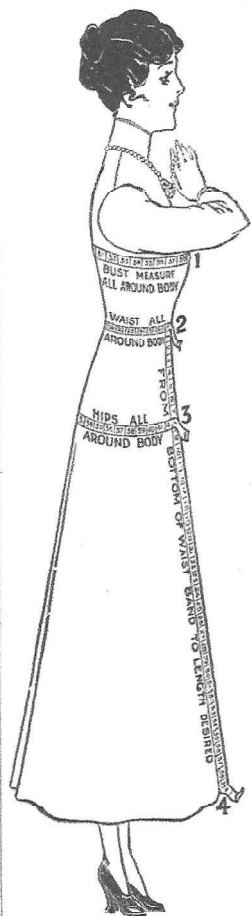

Sunday School and Adult Bible Classes are in recess until Sunday, September 12. Sunday School classes are available for all children ages 4 through 8TH Grade.

Everyone is welcome to join us. In a world that is undergoing rapid change and in a society that seems to be unraveling at the seams, let us find our common ground in the One Who hold us and all things in His loving care -- our dear Savior Jesus. Find out how His amazing love can change your life!

**Celebrating God And Country** – Our annual **Patriotic Worship Service** will be held in our church on Sunday, **July 4 TH , at 9:00 a.m.** Join in as we sing "America, The Beautiful," our national anthem, and many other patriotic songs. A color guard from the Lowell VFW Post will be with us to present and post the colors that day. This is always an impressive and emotional service. Don't miss it!

For more information, please call Pastor Don Steinberg at 920-927-5734.

### Window Into the Past

In histories of our state we read that long distances did not worry pioneers, for we are told that it was common for a farmer to drive to Milwaukee to have flour ground from his own grain. Perhaps it was the time when Mother asked to have several bolts of calico and bright taffeta brought home, for even in these days the lassies in the pioneer homes were stylishly dressed. We are told that seamstresses were often hired to stay at a farm for a week or two at a time and do enough sewing for the whole family to last a season or even a whole year. Turning the pages of an old family album reveals such feminine finery as laces, hoop skirts, bustles, three-quarter length sleeves, wasp waists and lovely cameos. Men's trousers were very narrow in width and tight-fitting coats were worn on the top of button closed vests.

Excerpt from *A Story of the Grove Prairie Community*, written by M. Yerges for the Wisconsin State Centennial, 1948. Provided by Phyllis Schultz.

**PROCEEDINGS OF THE VILLAGE BOARD  
OF THE VILLAGE OF REESEVILLE  
June 10, 2021**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on June 10, 2021 and called to order by Village President, Brian Miller, at 6:31 p.m. The pledge of allegiance was recited. Roll call was taken and the following Trustees were present, Chris Abell, Jim Bublitz, Debby Casperson, Cheryl Goodrich, Grant Rushing and Dave Snow.

Notice of this meeting was given to the public at least 24 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office, and on the Village's official website.

Mike Miescher and Pam Miescher were present for public comment. Mike received a call from a Village Board member inquiring about the load of top soil on his business property. He was notified that he needed to abide by the noise ordinance and to have erosion control with the soil. Mike noted that he had been done working by 8:00 p.m. which is before the noise ordinance goes into effect. Dave Snow had received a complaint from a resident on Jackson Street about the aforementioned. Mike and Pam noted that they have continual complaints and issues with the neighbors adjacent to their businesses (GJM Storage and Personality Plus) and feel like they are continually targeted and harassed. Unfortunately, the Village can't do anything regarding the harassment because it's considered a civil issue between the property owners. Pam Miescher also noted that the camper and trailer on their property are temporary and are being used by a construction foreman and a railroad inspector until the bridge on Bobolink is completed.

There was a motion by Jim Bublitz and seconded by Debby Casperson to approve the consent agenda items, which include the minutes from the previous regular meeting, the citizen participation hearing, minutes from a special meeting, the Village Treasurer's report and Utility Treasurer's report. Motion carried.

Tammy Hampton from Kunkel Engineering was present to give the Engineer's Report. An update on the Pearl Street project was given. Don Neitzel was on-site with Brian Miller and Dean Ziegel to look over the construction progress. Rennhack Construction will begin pouring concrete for curb and gutter on Monday. Kartechner will be here at the end of next week to mill off any remaining asphalt pavement in the roadway. Kruczek will then adjust manholes and water valve boxes the week of June 21<sup>st</sup>. Fine grading of the street will take place after that and then asphalt pavement. Kruczek feels that paving and restoration should happen at the end of the month. The final completion date per the contract is August 27, 2021.

There was a motion by Jim Bublitz and seconded by Debby Casperson to approve pay request #2 from Kruczek Construction, in the amount of \$110,267.64 Motion carried.

Resolution 2021-7 "Resolution Declaring Official Intent to Reimburse Expenditures from Proceeds of Borrowing" was presented for approval. Motion by Dave Snow and seconded by Cheryl Goodrich to adopt resolution 2021-7. Motion carried.

Resolution 2021-8 "Authorized Representative to File Application for Financial Assistance from State of Wisconsin Environmental Improvement Fund" was also presented for approval. Motion by Dave Snow and seconded by Jim Bublitz to adopt resolution 2021-8. Motion carried.

Police Chief Bahr was present and gave the monthly police report. Chief Bahr went over the hours worked, citations issued, parking complaints and junk vehicle contacts. The Board asked for an update on the State Bank of Reeseville Knox Box. Chief Bahr will follow up with the bank. There was nothing further.

Fire Chief Abell gave the Fire Department report. There were two calls in May. BINGO will be held on Sunday. The Fire Department is working on plans for the annual Corn Roast on August 14<sup>th</sup>. They plan on having chicken dinners, free corn and a band. The department may have one new member joining. The CLR Governing Committee convened for the first time and John Schmitt was appointed as President and Jerry Gaska was appointed as the Vice President. The Town Group met after the CLR Governing Committee and they approved additional repairs to the trucks.

Chris Abell also gave a brief update on the First Responders. The Lowell-Reeseville First Responders are still working well with the Clyman First Responders. The committee will meet on June 24<sup>th</sup>. The EMR class will be in Beaver Dam on Wednesdays starting August 25<sup>th</sup> – December 15<sup>th</sup>. The First Responders had training on the LUCAS device which was donated by Chet Caine. The First Responders also received a separate donation from The Refuge Church.

There was nothing to report from the Residence Board.

The May library report was reviewed by the Board. The building was recently power washed to get rid of the wasps and their nests. Jim Bublitz and Debby Casperson noted that there seems to be a lot of erosion near the basement wall outside. Jim offered to buy a gutter for the building to avoid water run off from creating a bigger problem.

Dean Ziegel gave an update on the utilities. Everything seems to be running well and water usage has increased. The 2020 Compliance Maintenance Annual Report was reviewed by the Board. The utility scored a 4.0 an "A". The Board thanked Dean for all of his hard work. Dean received a call and email from the DNR that lead and copper samples will not be required this year.

Resolution 2020-9 "Wisconsin Department of Natural Resources NR208 Compliance Maintenance Resolution. The 2021 Report; Reporting for the Year 2020" was reviewed by the board and approved on a motion by Chris Abell and seconded by Debby Casperson. Motion carried.

Dean had a quote from Wateress for \$3,845 per hydrant to refurbish the older hydrants. There is a concern that with the age of the hydrants, there's a potential for a main to break. Motion by Jim Bublitz and seconded by Dave Snow to approve the quote from Wateress. The motion was contingent on having one hydrant fixed first to see how the mains hold up before proceeding with the rest. Motion carried.

Dean and Brian Miller talked to Watertower Clean and Coat. They anticipate starting the week of July 12<sup>th</sup>, but may change if there's a drought. The tower will be drained for 2-3 days with lower water pressure while the tower is cleaned and the mixer is installed.

Dean Ziegel gave an update on the streets. Dean stated that a storm sewer on Ruby Street, one near Opal Avenue and one in front of the bank will be fixed. Asphalt was purchased to fill pot holes in May. Gary Kohn, Ben Zecher and an employee of his, helped Dean fill the holes.

The following license applications were reviewed by the Board: Mobile home park licenses for Reeseville Associates LLC for a period of 7/01/2021-7/30/2021, Reeseville Acres MHC LLC for a period

of 8/01/2021-6/30/2022 and Sunny Creek Home LLC for a period of 7/01/2021-6/30/2022, were approved on a motion by Jim Bublitz and seconded by Debby Casperson. Motion carried.

Class B Combination Licenses for Just 1 More LLC and the Reeseville Community Center for the period of 7/01/2021-6/30/2022, were approved on a motion by Jim Bublitz and seconded by Cheryl Goodrich. Motion carried.

A Combination Class A License for Sam's Amoco LLC for the period of 7/01/2021-6/30/2022 was approved on a motion by Jim Bublitz and seconded by Debby Casperson. Motion carried.

A Cigarette License for Sam's Amoco LLC for the period of 7/01/2021-6/30/2022 was approved on a motion by Jim Bublitz and seconded Grant Rushing. Motion carried.

Operator's Licenses for Bettina Goodhue, Matthew Keel, Benjamin Keel, Autim Erdman, Christine Raabe, Sandra Pocius, Ashley Gilbert, William Carey, Marilyn Zietlow and Rebecca Billington for the period of 7/01/2021- 6/30/2022 were approved on a motion by Jim Bublitz and seconded by Debby Casperson. Motion carried.

Dave Snow and Chief Bahr discussed property maintenance issues. Chief Bahr was instructed to give property owners 30 days to comply and to start writing citations if they don't.

Christine Abell gave an update on the Code Book. The workbook has been converted into a digital copy to be sent off to General Code. During the conversion there were a couple of questions that were missed in the workbook and a couple that needed clarification. Once clarification is received, the completed digital copy will be sent to General Code for the next steps.

Debby Casperson presented an email from Sara Hanna regarding a Coach Pitch Tournament she would like to do as a fundraiser for a little boy with Leukemia. Sara would like full use of the park, diamonds and bathrooms on July 23<sup>rd</sup> & 24<sup>th</sup>. She will work up the fields to get them ready using the equipment left over from the baseball association. Discussion was had. Since the baseball association notified the Village that there would not be teams this year, Dean had not turned the water back on at the diamonds. The water is not easy to turn on and Dean would also need to de-winterize the bathrooms. The Board discussed the additional costs that the Village would incur, including Dean's time/wages, additional mowing, additional electricity use, water usage and septic tank pumping. There was a motion by Jim Bublitz seconded by Debby Casperson to allow Sara to use the baseball diamonds, but water and bathrooms would not be available. A \$100 fee will be required to help cover the additional costs and \$150 would be required as a security deposit, which will be returned after the tournament, unless there is damage or excessive cleaning needed. Motion carried.

The Board discussed lawn mower quotes. Dean Ziegel recommended the quote from Powersports for a 2021 Scag Tiger Cat for \$9,521.00. Since the mower is also used at the lift stations, well houses and water tower property, the Scag will be paid in thirds by the water utility, sewer utility and the village general fund. There was a motion by Chris Abell and seconded by Jim Bublitz to approve the Powersports quote for \$9,521.00. A roll call vote was taken: Chris Abell -yes, Jim Bublitz -yes, Debby Casperson -yes, Cheryl Goodrich -yes, Grant Rushing -yes, Dave Snow -yes and Brian Miller -yes. Motion carried (7 -yes, 0 -no).

There are issues with the seal coating in the library driveway and parking lot. The seal coating still hasn't hardened and is creating a sticky mess. Jim Bublitz contacted Scott's Construction and they had recommended mixing the seal coat with sand or lime chips. Both recommendations have been tried without luck. The Board asked Jim to have Scott's Construction come back and fix it. There was no further discussion.

An update was given on the baseball property ownership issue. Mr. Hookstead has signed the deed transfer and it has been sent in for recording. There was no further discussion.

There was nothing to report from the Community Center.

Appointment to the Board of Appeals was tabled.

Appointment to the Community Center Board was tabled.

President Brian Miller appointed Cheryl Goodrich as Board liaison to the Community Center Board for a 1-year term. Motion by Chris Abell and seconded by Jim Bublitz to accept the appointment. Motion carried.

Appointment to the Recreation Board will be tabled until further notice.

The board discussed future agenda items.

The following bills were reviewed by the Board:

BP	\$311.67	Ziegel, Dean	\$1,664.95
