Connect with fellow women Veterans, learn about available Veteran and women-centered health care resources Courtesy of VA Office of Women's Health It's never too late to enroll in VA health care services. If you're looking for women-centered health care, sign up for the VA Women's Health Reengagement Training (heaRT) to gain a better understanding of how VA can support your health care needs.

VA's Office of Women's Health (OWH) has pioneered 30 years of health research and programming for women Veterans. Now, OWH is launching a new program – the VA Women's Health Reengagement Training (heaRT). This program is designed specifically for women with military service experience who are not enrolled in VA health care.

Women Veterans may experience unique health-related challenges compared to their male counterparts, such as chronic pain, musculoskeletal issues and depression. Research has linked many of these challenges to military experiences that women face, such as ill-fitting equipment, harassment, bias and others. This underscores why it's important that women Veterans know about VA health care and support services.

Through the VA Women's Health Reengagement Training (heaRT), you will have the opportunity to connect with fellow Veteran women in your communities. You will learn about what Veteran- and women-centered VA health care services are available to you: The training will be a women-only, one-time, 3.5-hour session. To register, visit <https://calendly.com/womensHeaRT>. You are welcome to register for any session, but we recommend attending one hosted in your state to learn about customized local resources to you. Both virtual and in-person sessions will be available. Please contact [info@WomensheaRT.info](mailto:info@WomensheaRT.info) with any questions.

#### **Sunday Schedule for March:**

Worship service with The Lord's Supper every Sunday at 9 a.m.

Sunday School Classes for children ages 4 through 8TH Grade at 10:30 to 11:30 a.m.

Adult Bible Class meets every Sunday at 10:30 to 11:30 a.m.

#### **Additional Services during March:**

The Season of Lent begins on Ash Wednesday, March 2. Lent is the season of the Church Year when we focus up close and personal on Jesus' suffering and death on the cross, which leads us to our celebration of His Resurrection from the dead, on Easter Sunday, which is April 17. One of the ways in which we observe this special time in our Christian walk with Jesus is with a series of special Wednesday evening Lenten Services. These services begin on Ash Wednesday, March 2, and continue through Wednesday, April 6. Each of these services begins at 7 p.m. The focus of these services will be on "The Crucial Hours." We will be pondering key words and moments from the Bible's record of Jesus' suffering and death that demonstrate the thorough completeness of His saving work for us, the breadth and depth of His love for us, and the strength of His union with us.

Please consider these words to be the Immanuel Family's invitation to you to come and join us at both our Sunday morning worship services as well as at our Wednesday evening Lenten Services. If you are new to the area and are looking for a church to call your home, please check us out! If you've been away from involvement in a church for a time, please know that it's never too late to come back. If you have children for Sunday School, we welcome you to one of our classes. For more information, please call Pastor Don Steinberg at 920-927-5734.

#### **Looking Ahead To April:**

Mark your calendar to take part in our Annual Spring Spaghetti Dinner Fundraiser. This year's dinner will be served on Thursday, April 21. As of this writing, the dinner will be served as a carryout only. Look for more information in the April edition of The Reeseville Review.

## First United Church of Christ

**The corner of Washington and Lincoln Ave Reeseville  
Pastor Carrie**

The First United Church of Christ is located on the corner of Washington and Lincoln Ave in Reeseville. We would love to have you join us in worship! Sunday services are in person and begin at 10am. We have Holy Communion on the first Sunday of every month. We practice open Communion and welcome all who believe in our Lord Jesus Christ to partake in Communion with us.

March 2<sup>nd</sup> is Ash Wednesday. It marks the beginning of our Lenten journey. It is during Lent that we need to really examine ourselves and ask the question, "Who are we?". The culture we live in has us looking to be the best, to be glamorous, to be "cool" in the eyes of those around us. But really, the only one that we should be concerned with is God. How do we look to him? It is during Lent that we really need to take a good look at ourselves. We should spend time reflecting on who we are. On Ash Wednesday, we look at ourselves and we admit that despite our best efforts, we are sinners and we are not going to live forever. We are dust, and to dust we shall return; we need to accept that our time on this earth is only fleeting. We repent of our sins, but not as a way of feeling sorry for ourselves and certainly not as a way to show off to others how good we are. We repent of our sins and come face to face with our mortality in front of God. He is the one that truly knows who we are. He knows everything about us. And despite that, despite everything we have done in our lives or left undone in our lives, despite who we think we are or who the people around us think we are; God loves us. ***He loves each one of us, even if we feel unworthy of that love.***

Jesus' mission statement was to love everyone and that is what he preached and how he lived and that is what we at First Church focus on. Ours is a worship of love and friendship that we would love to share with you. We hope to see you Sunday!

We will have our Ash Wednesday service at 10am on Sunday, March 6<sup>th</sup>.

**PROCEEDINGS OF THE VILLAGE BOARD  
OF THE VILLAGE OF REESEVILLE  
February 10, 2022**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on February 10, 2022 and called to order by Village President, Brian Miller, at 6:30 p.m. The pledge of allegiance was recited. Roll call was taken and the following Trustees were present, Chris Abell, Jim Bublitz (virtually), Cheryl Goodrich (virtually), Debby Casperson, Grant Rushing and Dave Snow.

Notice of this meeting was given to the public at least 48 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office, and on the Village's official website. The agenda was also sent the Village's official newspaper, the Watertown Daily Times.

There were no public comments or input.

There was a motion by David Snow and seconded by Debby Casperson to approve the consent agenda items, which include the minutes from the previous regular meeting on January 13, 2022, minutes from the special meeting on January 12, 2022, the Village Treasurer's report and Utility Treasurer's report. Motion carried.

Don Neitzel and Tammy Hampton were present for the engineer's report. The Jackson Street project will be going out for bid on February 17<sup>th</sup> & 24<sup>th</sup>, with bid opening scheduled for March 4<sup>th</sup>. Discussion was had regarding the DOT BIL funding program and applying for funding for the Jackson Street project. Tammy did research on the program and the project would need to be ran like a DOT project which has stricter design requirements and the engineering expenses would not be reimbursable. Applying for the funding would also push back the project until 2023. The general board consensus was not to proceed with applying for the BIL funding and to move forward with the project for 2022. A public information meeting will be scheduled, prior to construction, to allow residents to ask questions or express concerns.

Sheriff Schmidt, Deputy Keberlein & Deputy Matoushek were present to give the police report. The Reeseville squad should be outfitted with the equipment upgrades soon and will be in service as soon as that's completed. Sheriff Schmidt spoke with a business regarding their noncompliance with the Knox Box ordinance. If the business does not come in to compliance, citations will be issued. The Board reviewed the monthly police report. The report(s) showed the hours worked for the month, the total number of incidents for the month and the nature of the calls for service. For the month of January, there were 51 incidents during the hours worked for the Village and over 80 incidents outside of dedicated hours served on behalf of the Village.

Deputy Fire Chief, Chris Abell, gave an update on the CLR Fire & Rescue Department. There were six fire calls and 16 first responder calls for the month. There are currently three members attending fire school.

The Board had a general consensus to jump to item 11; Finance & Personnel Committee Reports & Recommendations.

Resolution 2022-1 "Resolution Authorizing the Issuance and Sale of Up to \$304,683 Taxable Sewerage System Revenue Bonds, Series 2022, and Providing for Other Details and Covenants with Respect Thereto" was presented to the Board for adoption. There was a motion by David Snow and seconded by Debby Casperson to adopt Resolution 2022-1. A roll call vote was taken: Chris Abell -yes,

Jim Bublitz -yes, Debby Casperson -yes, Cheryl Goodrich -yes, Grant Rushing -yes, David Snow -yes and Brian Miller -yes. Motion carried (7-yes, 0-no).

There was a motion by Chris Abell and seconded by David Snow to approve the execution of the Financial Assistance Agreement for the Clean Water Fund Program. Motion carried.

Resolution 2022-2 “Resolution Authorizing the Increase in Wages for Water and Sewer General Laborers” was presented to the Board for adoption. The Resolution increases the water and sewer general laborers’ wages to \$15 per hour. There was a motion by Grant Rushing and seconded by Cheryl Goodrich to adopt Resolution 2022-2. Motion carried.

The Board agreed to resume back to item 8 on the agenda; Library Reports and Updates.

The Board reviewed the library report. Joshua Brumm has been working on the sign software and has been making progress. The sign is on 24-hours a day and no longer shuts off at night. The Board asked about having the sign turn off at night so it doesn’t become a nuisance to the neighbors.

Dean Ziegel gave an update on the utilities. The utilities are in good shape. A house flooded on Garfield due to frozen pipes. The basement was pumped out and the water was shut off.

Dean also gave an update on the streets. There has been little snow fall so the streets and the sidewalks have been in good shape. There are a few spots on Emerald where the asphalt is separating from the curb, which will be addressed with Kunkel in the spring.

Ordinance A-143 “An Ordinance Adopting a Revision and Codification of the Ordinances of the Village of Reeseville, Wisconsin” was presented for adoption. There was a motion by Debby Casperson and seconded by Chris Abell to adopt Ordinance A-143. Motion carried.

Ordinance A-144 “Amending Chapter 138 “Records, Public” of the Code of Ordinances of the Village of Reeseville to Add a Section Providing for a Fee Schedule” was presented for adoption. There was a motion by Chris Abell and seconded by Grant Rushing to adopt Ordinance A-144. Motion carried.

Resolution 2022-3 “Resolution Adopting Village Fee Schedule” was presented for adoption. There was motion by Cheryl Goodrich and seconded by Jim Bublitz to adopt Resolution 2022-3. Motion carried.

Ordinance A-145 “An Ordinance Amending Chapter 12, Section 10 “Salaries” of the Code of Ordinances of the Village of Reeseville” was presented for adoption. The ordinance increases the wages for the board trustees and the president. The wages take effect starting with the new term for each official. This would be the first wage increase for the Board since 1999. There was a motion by David Snow and seconded by Debby Casperson to adopt Ordinance A-145. Motion carried.

David Snow gave an update on some garbage complaints that have been taken care of. A committee meeting will be scheduled at a later date to meet with Deputies Keberlein & Matoushek regarding property maintenance issues and junk vehicles. There was nothing further.

There was nothing to report from the Public Property Committee.
