**PROCEEDINGS OF THE VILLAGE BOARD
OF THE VILLAGE OF REESEVILLE
June 8, 2022**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on June 8, 2022 and called to order by Village President, Brian Miller, at 6:31 p.m. The pledge of allegiance was recited. Roll call was taken and the following Trustees were present, Debby Casperson, Cheryl Goodrich, Grant Rushing and Dave Snow. Trustee Jim Bublitz was absent.

Notice of this meeting was given to the public at least 48 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office, and on the Village's official website.

Trustee Chris Abell submitted his resignation from the Village Board. There was a motion by David Snow and seconded by Grant Rushing to accept the resignation. Motion carried.

Jim Braughler, Executive Director for the Gathering Source, was present for public comment. Jim wanted to introduce himself to the Board. The Gathering Source is open on Thursdays from 10 a.m. to 12:00 p.m. and 5 p.m. to 7 p.m. They have recently started a community garden in addition to bookbag and meal bags during school time. Volunteers are needed. As of July 1st, the pantry will be open to the public again, the first time since the pandemic began. Jim passed out the annual report to the Board and thanked them for their service.

Samantha Keberlein was present for public comment. Samantha has concerns about Willow Court. The pot holes were not completely filled and there was a mess left behind. She would like someone to fix the remaining holes and clean up. There's a pile of loose asphalt at the end of the road that is left over from winter when the plows dug up the street.

Gary Wahl was present for public comment. Gary also wanted to discuss the condition of Willow Court. He also noted that the curb line is being gouged in winter due to the plow blades scraping. The curb is separating from the street and the driveway approaches are deteriorating.

Trustee Dave Snow, on behalf of a resident, spoke for public comment. A resident reached out to him regarding a bad smell in the Village. The smell is worse at night. Dave has been driving around trying to figure out where the smell is coming from and will keep working on the issue.

Deputy Keberlein was present to give the police report. The hours worked and calls for service, both contracted and noncontracted, were reviewed by the board. The operator's license applications were reviewed and the Sheriff would like to improve the application format and make it a more streamlined

process. The squad car is in for service to install equipment. Friday, June 10th, the Sheriff's office will have an open house for the public. Brief discussion was had regarding National Night Out and a committee will meet soon to finalize things.

CLR Deputy Chief Abell gave an update on the fire department. In April there were ten fire and fourteen EMS calls. In May, there were nine fire calls and twenty EMS calls. In total, there have been 128 calls for service year to date. There are three new members, one at each station. Currently, a request for ARPA funds to expand EMS services has gone before the County Board. There was nothing further to report.

Trustee David Snow would like clarification from the Sheriff's Office on how property maintenance issues and long grass violations will be addressed. Deputy Keberlein advised the trustees to make a list of properties in violation and they will address them. The Sheriff will be at next month's meeting to review the last six months. The Protection of Persons, Property and Safety set up a meeting on June 23rd to discuss maintenance issues.

There was nothing to report from the Residence Board.

An update on the burn pile was given. The committee recommends keeping the current site. A gravel pad will be placed. The recommendation included having hours to the public on the first and third Saturday of each month. The resident will need to show a license or proof of residency to use the site. A local farmer will take the yard waste and wood chips. Discussion was also had on signage and security systems. A quote from Heiar Fencing was presented to the Board for approval.
