Blocked Storm Drains

With all the rain there has been plenty of lawn mowing. The maintenance department would like to remind everyone not to allow lawn clippings to go into the streets. During one big rain leaves, sticks and clippings blocked several storm drains around town. If the drains are blocked the rain water may cause flooding and property damage. So please be mindful of ordinance Sec. 6-2-11 Unlawful Dumping on Streets "It shall be unlawful for any person to deposit or cause to be deposited, dump, sort, scatter or leave any rubbish, stone, wire, earth, ashes, cinders, sawdust, hay, glass, manure, filth, paper, snow, ice, dirt, grass, leaves, construction waste, garbage or other offensive or noxious material in any public street, sidewalk, alley or upon any public property or upon any property of another, without the express permission of the owner of occupant thereof."

Lakeside 4H

Lakeside 4H of Reeseville has had a busy summer so far and it's only going to get busier for us. On July 4th we celebrated with the rest of America by Honoring our Veterans with Stars, and Stripe and where the Eagle fly's by building a float for the Water-town 4ht of July Parade. The kids pulled together a recreation of Arlington National Cemetery with a full size American flags on the back and an eagle flying over the headstones. Each headstone on the float with honored with an American flag in front of it.

We will be joining the Reeseville Fire Department on August 2nd for the "National Night Out" at the Reeseville Fireman's Park from 5pm to 8pm. Lakeside 4H

will be serving Brat's, Cheeseburgers and Hog Dogs with chips and drinks. It should be a great night for community involvement – please mark your calendar to join the fun.

As normal for this time of year the members of Lakeside 4H are very busy getting their fair projects finished. That could be projects in the Youth Building, Small Animal building or large animals of Beef, Sheep and Swine trying to get there animals to that perfect market weight.

We will have out signs up throughout the small animal, beef, sheep and swine barns at the fair during August 17th thru August 21st. Feel free to stop and ask questions about 4H or inquire about our projects. The kids maybe shy at first but once you get them going you will find everything out about their projects. Our next meeting will be held on September 11th 2022 at the Reeseville Municipal Building at 4pm. Record books are due at this time to close out our year. If you are interested in joining 4H please contact Eric or Sandy Salmi at 920-988-1817 for more information.

Window into the Past

This bowl was gifted to the library. The donor, who lives in Oklahoma, felt that the bowl should come home. The bowl was a promotional item from C. Ladwig & Sons in the village of Lowell. Which was once a store on River street where one could buy a week's groceries and their first tv. (according to Reeseville Village President, Brian Miller). It was common for stores to give tableware to customers that purchased items regularly, much like earning rewards points today.

The bowl is on display at the library.

**PROCEEDINGS OF THE VILLAGE BOARD
OF THE VILLAGE OF REESEVILLE
July 14, 2022**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on July 14, 2022 and called to order by Village President, Brian Miller, at 6:31 p.m. The pledge of allegiance was recited. Roll call was taken and the following Trustees were present, Jim Bublitz, Debby Casperson, Cheryl Goodrich and Dave Snow. Trustee Grant Rushing was absent. There is one trustee vacancy.

Notice of this meeting was given to the public at least 48 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office, and on the Village's official website.

The Board reviewed a letter of interest, from Margaret Schmidt, for the vacant trustee position. There was a motion by Cheryl Goodrich and seconded by David Snow to approve Margaret Schmidt for the vacant trustee position. Motion carried.

There was no one present for public comment or input.

There was a motion by David Snow and seconded by Cheryl Goodrich to approve the consent agenda items, which include the minutes from the previous regular meeting on June 8, 2022, the Village Treasurer's report and Utility Treasurer's report. Motion carried.

Tammy Hampton from Kunkel Engineering was present for the engineer's report. An update was given on the Jackson Street project. The road base is already completed. Next week, the box culvert will begin construction and should take approximately a week to complete. There have been many challenges with traffic through the construction and drivers not abiding by the closure or detour signage. They will work on adding additional signage for the detour and adding road blocks.

An update was given on the Pearl Street project landscape restoration. Kruczek was back to finish up and take care of problematic spots. This project should now be wrapped up.

The chlorination building has been ordered, but a credit application needs to be submitted by the Clerk-Treasurer before they can proceed. The building should arrive in late December or early January. Kunkel will bid out the project in August or September for construction of the building.

Sheriff Schmidt, Deputy Keberlein and Deputy McCarty were present to give the police report and six-month update. The hours worked and calls for service, both contracted and noncontracted, were reviewed by the board. A revised May hourly report was reviewed by the Board. Within the first six months there were 442 contracted incidents and 121 non-contracted incidents. Deputy Keberlein has now been assigned to first shift. In order to have coverage throughout the day, a second shift deputy needed to be assigned. Deputy Matoushek, a first shift deputy, has been reassigned and Deputy McCarty has been assigned as the second shift deputy for the Village. Deputy Keberlein will remain as the first shift deputy for the Village. A camera was installed in the Village squad car, but it will need to be upgraded next year. The radio is estimated to be around \$7,000. An ARPA grant is available for the Village to be used for police related expenses; there are guidelines on what the money can and can't be spent on. The Sheriff will work with the Village to fine tune the snow parking procedure with possible adjustments to the current ordinance. Plans for the National Night Out on August 2nd are coming together. There will be deputies assigned to the Corn Roast on September 10th, for the whole day. Deputies are working on

delinquent dog licenses and will be following up with the owners and issuing citations when necessary. Sheriff Schmidt will come back in January to do a one-year review.

There was no report available from the CLR Fire & Rescue.

President Miller asked the Board to skip to item 11 on the agenda. There were no objections.

Discussion was had on parking issues in front of the First United Church of Christ. A sign, which reserves parking for senior citizens and/or for the handicap, is in rough shape. The sign reserves parking on Sundays from 8:00 a.m. to 12:00 p.m. As of late, the church has been having issues with drivers not abiding by the signage and would like to get two new signs and install them on Lincoln Avenue and Washington Street. There was a motion by David Snow and seconded by Cheryl Goodrich to allow the signs to be installed on the East and South side of the church. Motion carried.

The Clerk-Treasurer, Christine Abell, has submitted her letter of resignation, dated June 13th. Her resignation is effective July 31, 2022. There was a motion by Jim Bublitz and seconded by Debby Casperson to accept Christine's resignation. Motion carried. A hiring notice has been published in the Watertown Daily Times and the Beaver Dam Daily Citizen, as well as on the Village's website and Facebook page.

Trustee Grant Rushing, has submitted his letter of resignation, effective immediately. There was a motion by Jim Bublitz and seconded by Debby Casperson to accept Grant's resignation. Motion carried.

Jonathan Schatz from Ehlers was present to discuss the financing for the Jackson Street project. The financing is by Farmers and Merchants State Bank in the amount of \$918,416. The loan is a one-year line of credit, which is prepayable and principal and interest due at maturity. At maturity, the loan will be refinanced into a ten-year loan with the same 4.25% interest rate. The Village would be able to pay down the loan with the grant money of \$400,000 before refinancing. Resolution 2022-5 "Resolution For Sale of General Obligation Promissory Note, Series 2022A, in the amount of \$918,416 to Farmers and Merchants State Bank, was presented to the Board for approval. The resolution approves the loan terms as previously described. There was a motion by Jim Bublitz and seconded by Debby Casperson. A roll call vote was taken; Jim Bublitz- yes, Debby Casperson- yes, Cheryl Goodrich- yes, David Snow- yes, Brian Miller- yes. Motion carried (5-yes, 0-no).

There was nothing to report from the Residence Board.

The library reports were reviewed by the Board. There was nothing further.

The Board reviewed the Compliance Maintenance Annual Report (CMAR). Resolution 2022-4; acknowledging the approval and review of the CMAR was presented to the Board for approval. There was a motion by David Snow and seconded by Jim Bublitz to approve Resolution 2022-4. Motion carried. The Board commended Dean Ziegel for his hard work. Dean was absent, but left a few notes for David Snow to read off: Dean has added chemicals to the sewer ponds to reduce any smells. Dean and Dave have still not been able to track down the cause of the smell and they are unsure if it's coming from the ponds or a different source. They will continue to work on tracking down the cause of the smell. On June 16th, the sewer pump failed, on June 17th the blower on the MSABP failed at Specialty cheese and a pump at the Prairie Street lift station was sent in for repair. All necessary repairs have been completed and we are still waiting for the Prairie Street lift station pump to come back.

An update on the streets was given. Both Dean Ziegel and David Snow looked at the street condition on Hickory and Willow after there were complaints regarding the pot holes.

David Snow gave an update on the Public Health & Welfare Committee. A property on Garfield with long grass and weeds was mowed by Fitz's and will be billed back to the owner. There was an update on the brush pile. Brush collection will be on the first and third Saturday of every month. The public is allowed to drop off brush and yard waste but must provide proof of residency. Recently someone abused the drop off site by pushing past the barricades, dropping off a mattress and garbage and started the brush pile on fire. The fencing has been ordered and discussion was had on a camera security system.

A brief update from the Public Property Committee; the gutters are being installed on the Village Hall. There was nothing further.

Cheryl Goodrich gave an update on the Community Center. The functions and reservations for July, August and September were reviewed, as well as the June checkbook register. There was nothing further.

Debby Casperson gave an update on the Recreation Department. T-ball is going well and the lawn has been well maintained by Fitz's. A \$50,000 grant from the Greater Watertown Community Health Foundation was discussed. The grant can be used towards parks, sidewalks, pathways, etc., anything that can bring the community together. The Board's initial thoughts were to look into upgrades to the "Mini Park". Additional research will be done to figure out what upgrades should be done and the costs.

The appointments and designations for the Board of Appeals, Community Center Board, Committee Appointments, Weed Commissioner, Library Board, Village Liaison for the Library Board, Recreation Board and the First Responders Committee were tabled.

The board discussed future agenda items.
