Lauersdorf Donation

A donation was made to the library in the memory of Frank Lauersdorf. Mr. Lauersdorf was a lifelong supporter of the library and annually contributed to our summer reading program. To honor his love for early literacy we used the funds to purchase children's books about his passions; farming and WWII. Each item received a book plate to commemorate Mr. Laurersdorf. We are honored that he will always have a presence in the library.

**PROCEEDINGS OF THE VILLAGE BOARD
OF THE VILLAGE OF REESEVILLE
May 9, 2024**

A duly convened meeting of the Village Board of the Village of Reeseville, Dodge County, Wisconsin, was held in open session on May 9, 2024, and called to order by Village President, Brian Miller, at 6:30pm. The pledge of allegiance was recited. Roll call was taken, and the following Trustees were present, Anna Volkova, Dave Snow, Jim Bublitz, Jacob Pacala, Kevin Hanks. Absent Cheryl Goodrich.

Notice of the meeting was given to the public at least 48 hours prior to the meeting by posting the complete agenda at the Reeseville Village Hall, the Reeseville Post Office.

Kevin Hanks made a motion to approve the consent agenda with the following corrections their were 6 tree stumps to grind (not 5), and Lt. Waas and (not Maas), the motion was seconded by Jim Bublitz, motion carried

Public comment: David Fields asked the board about dumpsters at 500S Main St instead of garbage cans, Dave would pay the dumpsters out of pocket if the board would be OK with the dumpsters at 500 S Main St.

No Engineer Report: Tammy Hampton was present and gave the update on the 2025 project for Dewey, Garfield and Sharp. The board asked if water main on Dewey and Sharp were going to be replaced, Tammy stated that was not included in on the project, and would have to reapply the application if you wanted to add that on to the project, water main on Dewey would add \$90,000 more, and Sharp would add \$165,000 more to the project. Ken reported the chlorine pump at well #2 blew out and William/Reid installed new parts. Ken also reported the variable speed drive went out and the insurance will cover the cost because that was caused by power surge. The board discussed outdoor water meters, for the summer months for gardening, no further discussion.*
